Billings Far in the Lead.

The Leader's mention of the name of Capt. S. Billings as a candidate for the office of United States marshal under McKinley, has brought the genial captain scores of letters from prominent men in many states, who pledge him their support. The captain has a splendid record, and this added to his cordiality, alertness and business ability, makes him a formidable factor in the race for a rich plum. He will have the support and endorsement of all Oklahoma soldiers when the time comes for naming the new marshal.

## PHOTO OF PRESS GANG

Swearingen, the Photographer, Does a Good Job.

The fame of Swearingen, the photographer, is increasing. Swearingen's latest success is an excellent picture of the Oklahoma Press Association.

The first picture was developed yesterday and was sent to Kansas City where a half-ton of it will be made for insertion in Printers. The pictures are good and every member of the association should have one. An order sent to Swearingen will be promptly filled.

"Sidelacked" a Great Hit.

Standing room was at a premium at the Mc Kennon opera house last night on the occasion of the presentation of the stirring melodrama, "Sidelacked" by Julie Walters and company. The house was crowded to the walls, and every one was enthusiastically pleased with the rendition. The play was superbly mounted and the specialties were exceptionally good. "Sidelacked" abounds with dramatic situations and the audience was kept interested from start to finish. The scenic and mechanical arrangements were clever and Walters as the tramp, "Horatio," injected life into his surroundings. Manager Pentecost scored a hit in cooking this excellent company. The next attraction will be the Kempton Comedy company, which opens a week's stand Monday night.

The folly of prejudice is frequently shown by people who prefer to suffer for years rather than try an advertised remedy. The millions who have no such notions, take Ayer's Sarsaparilla for blood diseases, and are cured. So much for common sense.

## DEATH FOR A MILLIONAIRE.

ARTHUR DUESTROW TO HANG FOR MURDER.

CAN APPEAL NO FURTHER.

The Missouri Supreme Court Upholds the Verdict of the Trial Court in Every Respect and Fixes the Hanging for February 16—Watson Field Must Serve Ninety-Six Years.

JEFFERSON CITY, Mo., Jan. 20.—The supreme court yesterday affirmed the decision of the circuit court of Randolph county in the case of Millionaire Arthur Duestrow of St. Louis, convicted of the wilful murder of his wife and child, and fixed the hanging for February 16.

The principal defense made by Duestrow was insanity. Of this the court says: "There was abundant evidence to show that the defendant was voluntarily intoxicated at the time of the homicide, and thus to support an instruction on that point." "It is well settled in common law, still in force in this state, that when a homicide is committed in circumstances of great barbarity and cruelty, such brutal malignity will supply the place of malice and make the act of killing equivalent to a deliberate act of slaughter, murder at common law and murder in the first degree under our statute. If, then, defendant was sane at the time he did the shooting—and so the jury was found to be—his guilt of a crime less than murder in the first degree. Again, it cannot be doubted that defendant, if criminally responsible, was guilty of a higher grade of murder than that of the second degree when he shot his boy. This act being co-existent and concurrent with that of shooting the wife gives color and import to the act of shooting the wife. If shooting the boy was murder in the first degree, so also, sanity existing, was the act of shooting the wife.

The court deals at some length with Duestrow's relations with Clara Howard, and argues that his interest and association with her would form a motive for wishing to rid himself of his legal wife.

No Hope for Wat Field.

JEFFERSON CITY, Mo., Jan. 20.—The supreme court this morning affirmed the decision of Judge Becker of the Platte circuit in the case of Watson Field, who shot and killed James A. Winn in the court house at Platte City, August 16, 1895, and was sentenced to ninety-nine years in the penitentiary.
